Further to Phase 1 enhancement works to the Cyberport Waterfront Park commenced on 28 June 2023, a portion of the park will be closed for Phase 2 enhancement works from 20 February 2024¹ onwards until the end of 2025. The park will be progressively fenced-off for the staged works, while the remaining area will continue to be open for public enjoyment.

For the safety of park users, temporary footpaths, additional signages and indicators will be arranged near the fenced-off area, and its associated public lighting will be enhanced at night. The public are cordially reminded to take extra care in the park and stay away from the works location.
